

Comparisons of career choice theoretical advisory skills and support programmes

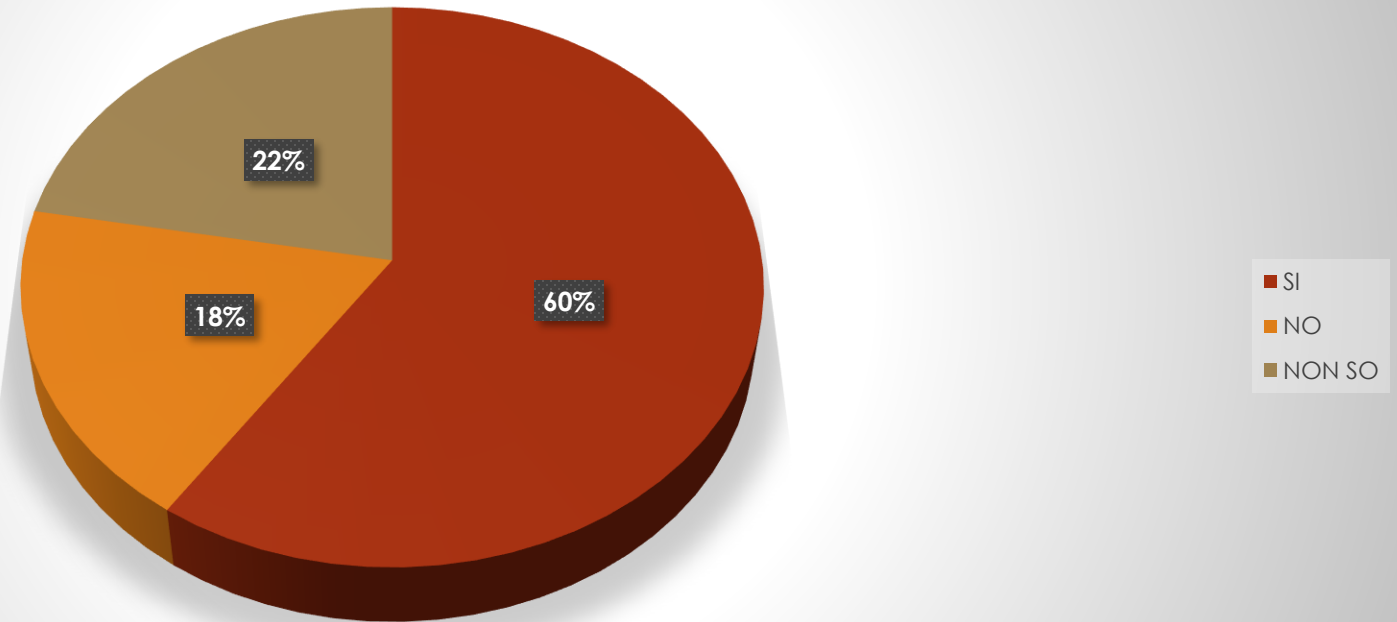

Progetto KA2 Erasmus + 2018-2020

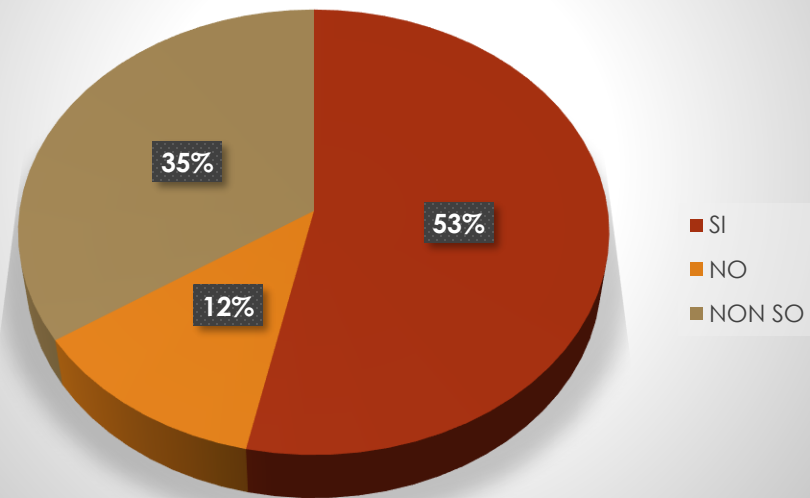

Civitavecchia, October 21st-25th 2019

Third grade students' surveys

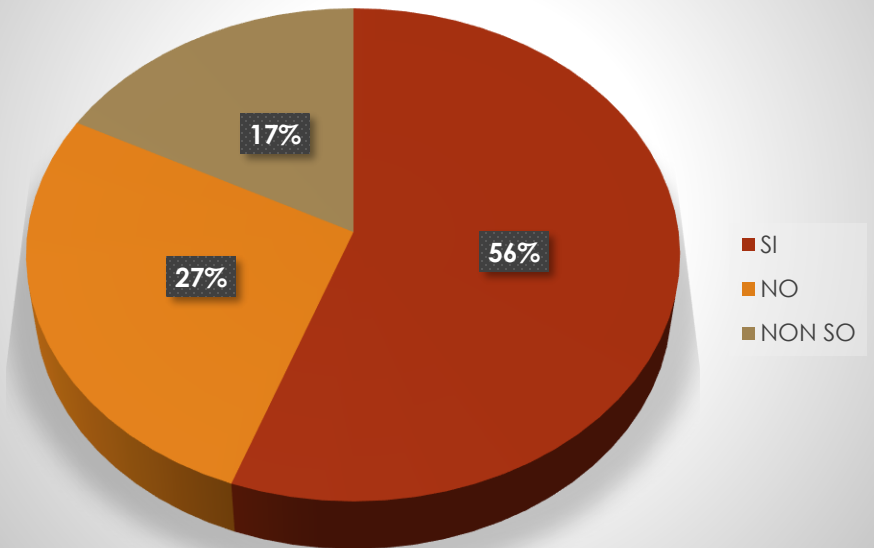

Have you already chosen the school where to enroll

Is your choice based on the kind of job you would like to do

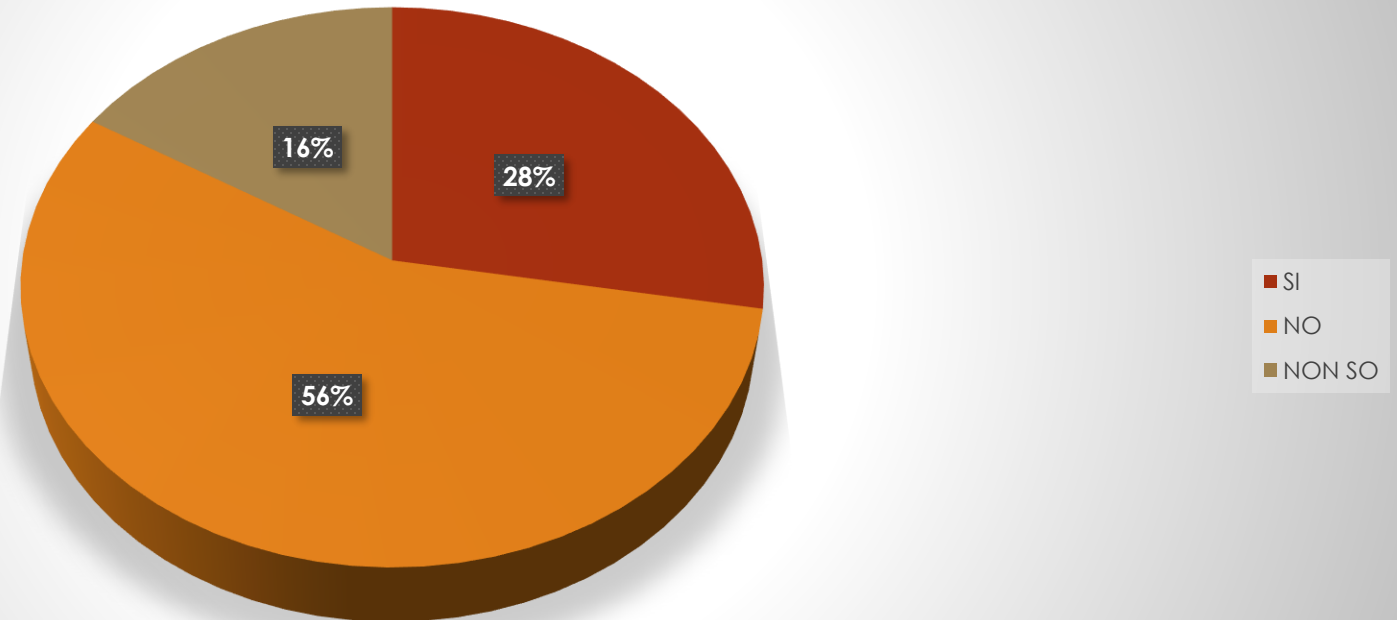

Do you think you will continue your studies after high school?

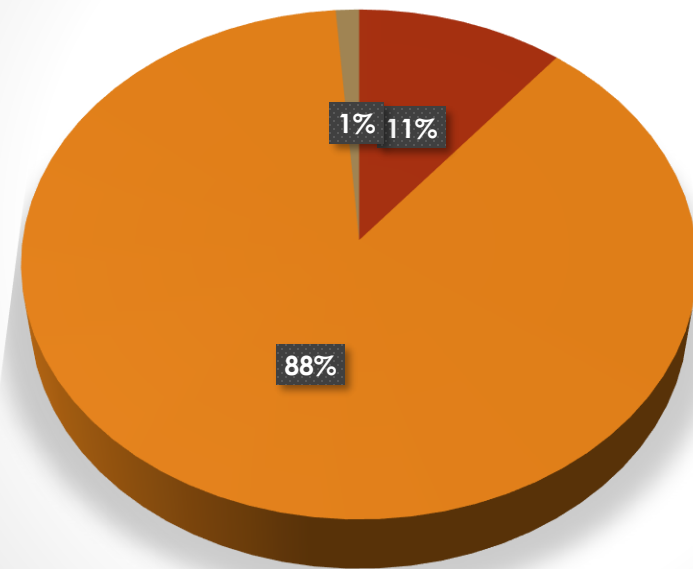

OR

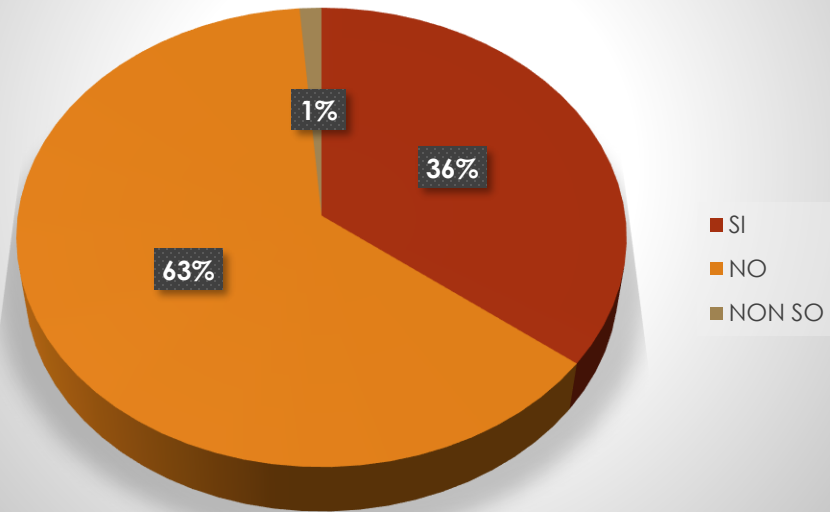

Would you like to find a job after leaving school

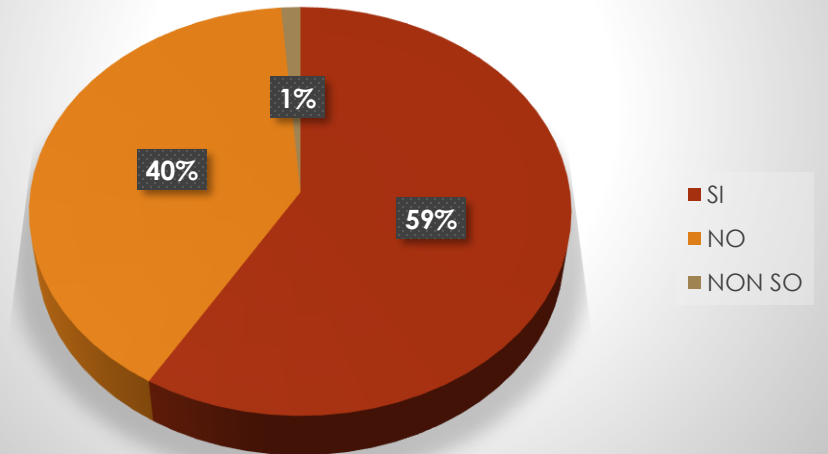

Do you think it could be useful to know the teachers in order to choose the school

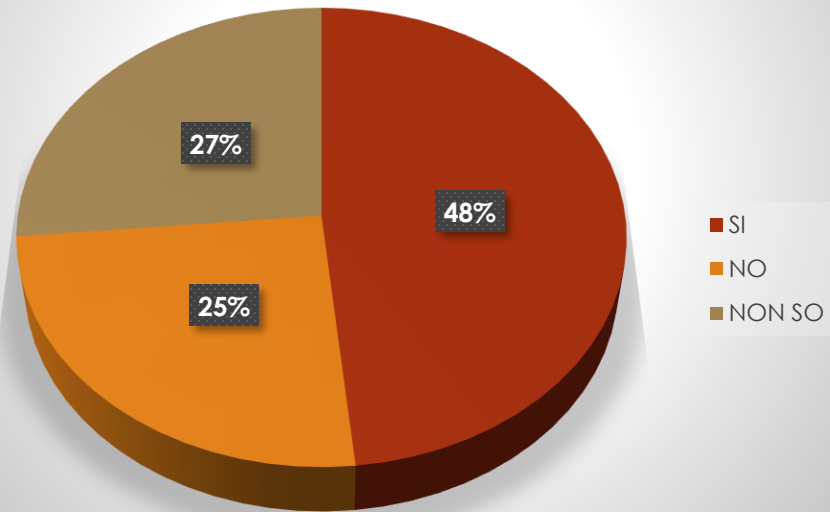

Do you think it is useful to join activities or attend classes in different schools

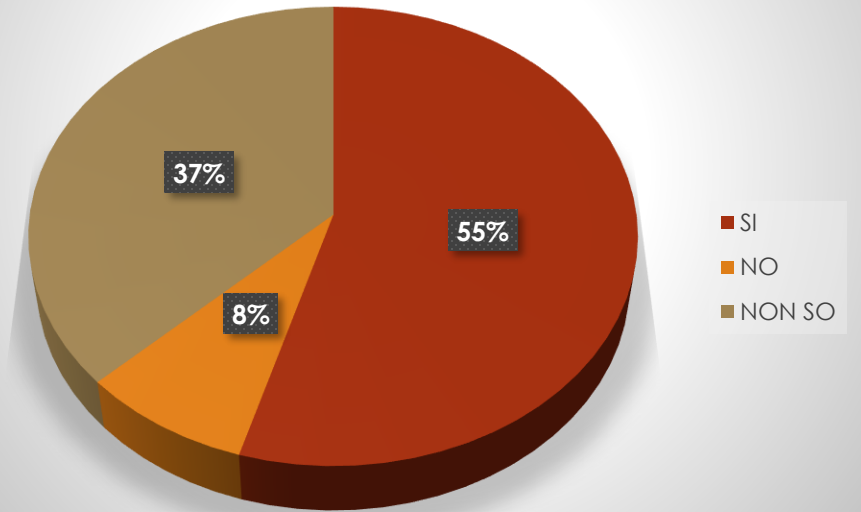

Do you think it would be useful to have a little experience in different schools to choose your school

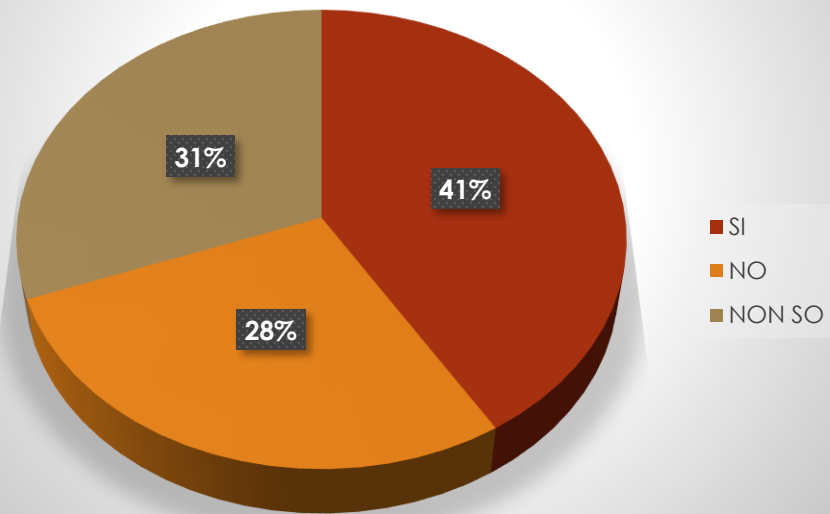

Are you aware enough of the specific subjects provided by schools

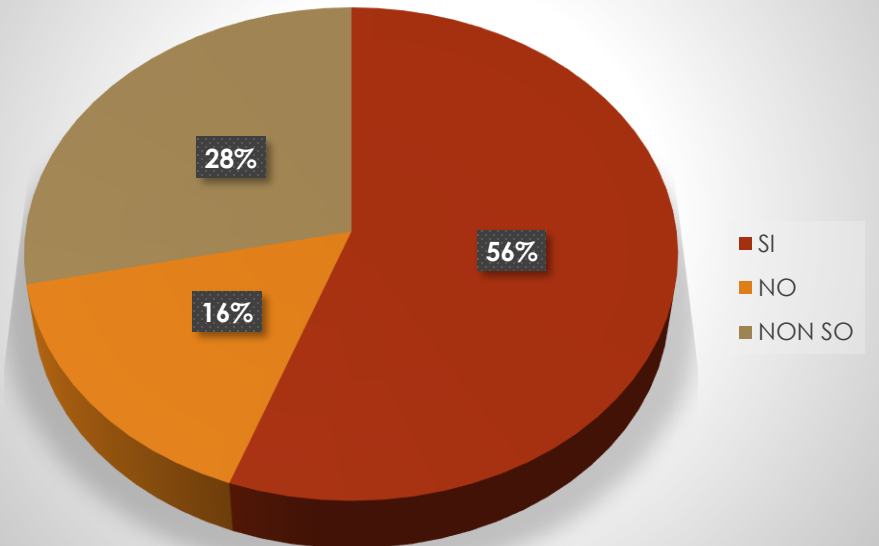

Do you think it is better to attend a Liceo in order to go to university

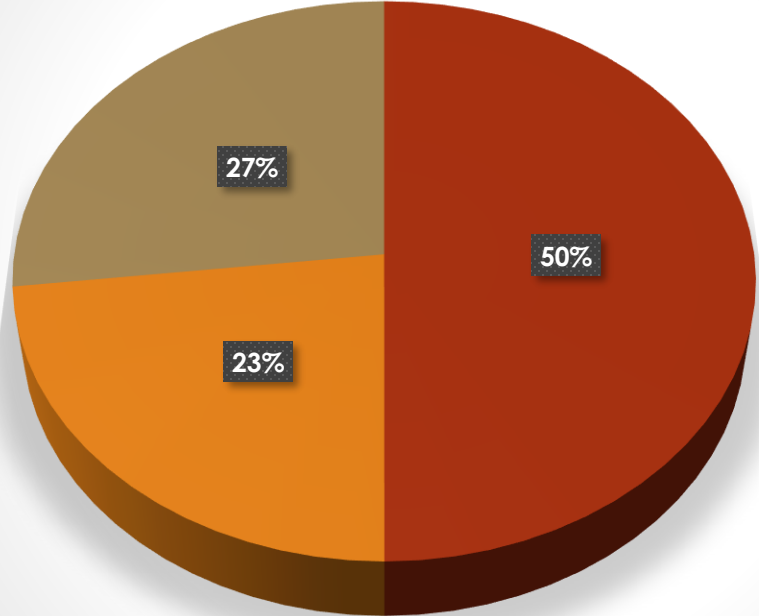

Do you know the different sectors offered by Stendhal school

Can you list the schools located in Civitavecchia

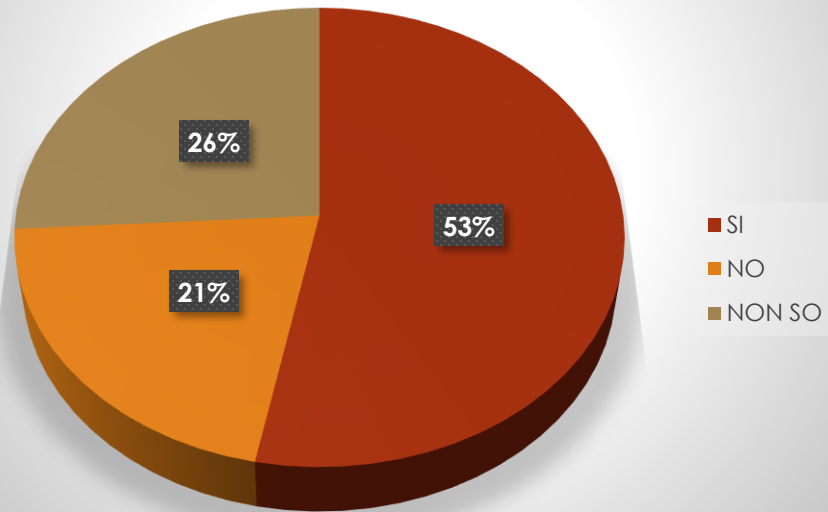

Can you name at least two job opportunities in our city

- SI
- NO
- NON SO

Do you know if there is a university here in civitavecchia

If you do: which one?
