

**Advising and supporting process of the students' career choice (Barcelona - Spain)**

**C5: New adopted orientation activities**

## I. ELABORATION OF A PERSONAL SWOT

Students can detect their weak points and work them. They can also have the chance to be conscious about their strengths to use them in their favor.

## 2. ELABORATION OF AN STRATEGICAL MAP

To prepare this activity, previously two other activities must be done:

- Visit to, at least, one official information organization in the city.
- Attendance to ex-students talks about their careers, studies and current situation

### 3. ELABORATION OF STUDENT'S CURRICULUM VITAE

*We will use Europass online templates.*

Training about Europass must be scheduled in  
Orientation subject

### 4. ELABORATION OF STUDENT'S DIGITAL PORTFOLIO

Digital and Social Networks Training must be  
scheduled in Orientation subject

## 5. ELABORATION OF AN IMPROVEMENT OPPORTUNITIES

Students make a list of training centers and access requirements to expand their opportunities and complement their training or to study what they want to.

To do that list, a visit to an official information organization in the city will be very helpful.

# WHAT INSTRUMENTS SCHOOL NEEDS?

- *Templates for students*
- *Update orientation syllabus including these new activities*
- *Visits organization to official information organizations in the city*
- *Relationships maintenance with ex-students to organize talks.*
- *Success Indicators to review the implementation of these new activities.*
